NAWASA SPREADS HOLIDAY CHEER

Monday January 11th, 2016, St. George's Grenada - 2015 marked another successful year for NAWASA's Christmas Food Hamper Distribution Promotion in which a total of 30 residents in the tri island state benefitted.

It was the 12th year in which the Authority touched the lives of many families and the hugs, smiles and tears that greeted the distribution team were testimony that the aim of spreading holiday joy was achieved.

NAWASA's Communications Officer Jamila Lewis has been on every voyage since the inception of the Promotion and according to her the virtues of giving or simply extending that charitable hand to the less fortunate continues to be richly gratifying year after year.

In describing the 2015 promotion, Ms. Lewis stated ***"Our Promotion went without a glitch every single person who had a part to play in ensuring that it was successful did so beautifully. It will be remiss of me if I didn't recognise our Field Officers, who did due diligence in conducting investigations into the nominees. I can truly say that this year's beneficiaries just like in previous years were deserving of the food hamper they received."***

Beneficiaries praised NAWASA for this initiative which they say speaks volume to the organisation's corporate social responsibility.

Recipients of the Food Hampers were first nominated by the general public and selected upon the completion of the investigation process.

The Authority extends deepest thanks to everyone who looked beyond their own needs and nominated someone for a food hamper.
